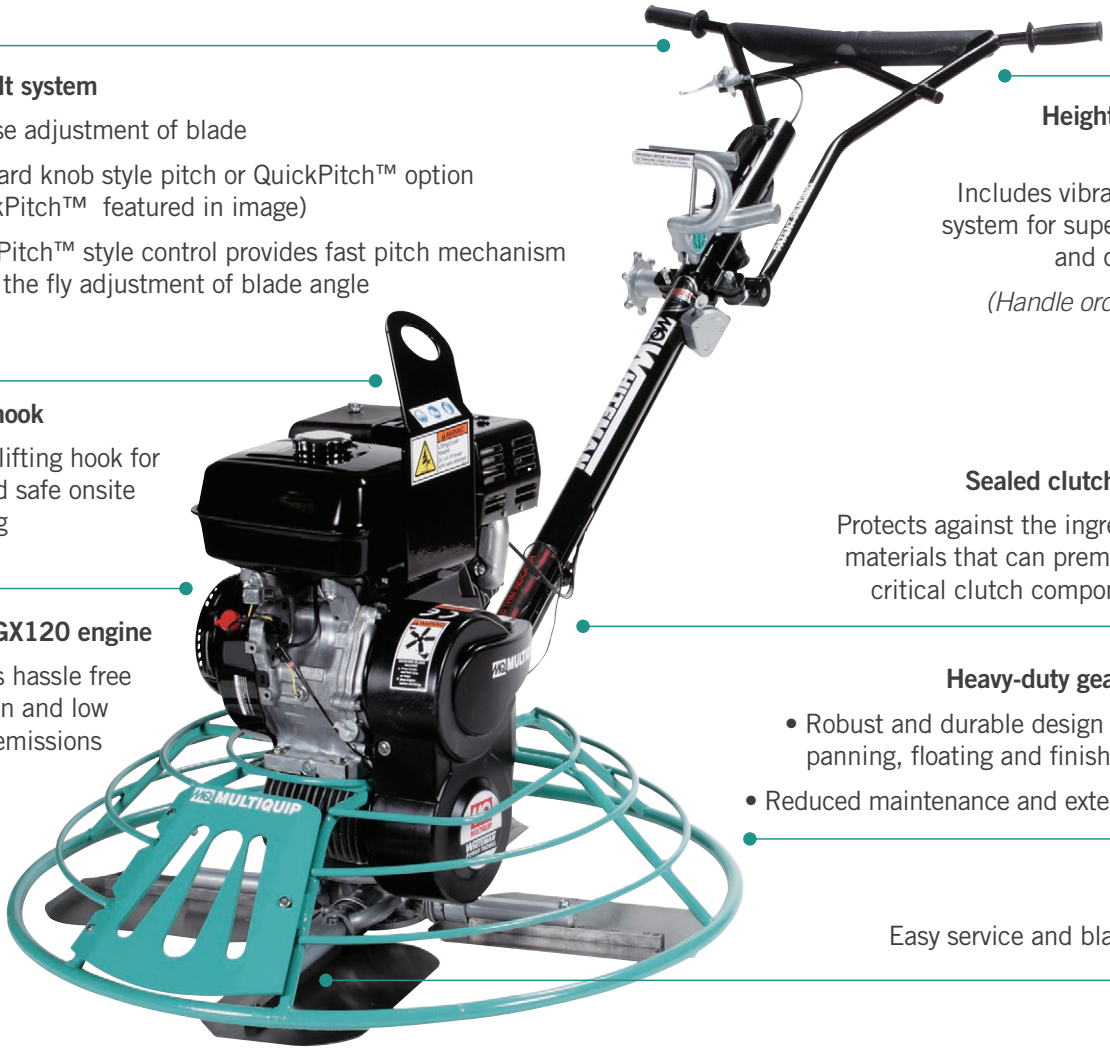
# MQ WHITEMAN WALK-BEHIND POWER TROWEL J36H90H (J AND B SERIES)

**The MQ Whiteman Walk-Behind Power Trowels (J and B Series) are available in 36" and 46" working widths. Incorporating superior balance, durability, heavy-duty centrifugal clutch and your choice of standard knob style pitch or QuickPitch™ style control handles, this quality J36H90H provides contractors with the ideal machine for both residential and commercial construction work.**



**Blade tilt system**

- Precise adjustment of blade
- Standard knob style pitch or QuickPitch™ option (QuickPitch™ featured in image)
- QuickPitch™ style control provides fast pitch mechanism for on the fly adjustment of blade angle

**Lifting hook**

Central lifting hook for easy and safe onsite handling

**Honda GX120 engine**

Provides hassle free operation and low engine emissions

**Height adjustable and padded handle**

Includes vibration dampening system for superior ergonomics and operator comfort

*(Handle ordered separately)*

**Sealed clutch and belt guard**

Protects against the ingress of unwanted materials that can prematurely wear out critical clutch components and V-belt

**Heavy-duty gearbox and spider**

- Robust and durable design for the toughest panning, floating and finishing applications
- Reduced maintenance and extended service life

**Access panel**

Easy service and blade replacement

POWERED by HONDA
